# **CONGRATULATIONS ON YOUR ACCEPTANCE!**

We're thrilled to have you as part of the University of Toronto Mississauga's largest hackathon! Students from across Ontario are invited to showcase their innovation and creativity in a 36-hour challenge.

Our event offers a range of workshops, engaging competitions, and enjoyable activities, providing the perfect platform for you to demonstrate your interests. After completing your projects, you'll have the opportunity to present them to a panel of seasoned judges and industry experts, offering valuable exposure for those entering the tech field.

Join us for a fantastic opportunity to network with sponsors, win exciting prizes, and have a great time! We welcome participants of all skill levels, from beginners to seasoned developers. Get ready for a weekend filled with coding, innovation, and the chance to win fantastic prizes.

This package will contain all the information that you need for the event.

### **PERSONAL BELONGINGS**

Throughout DeerHacks, please keep in mind that you are responsible for your personal belongings while on campus. This includes laptops, cell phones, backpacks, and any other items you may have with you. Ensure that you keep your belongings with you at all times and avoid leaving them unattended in public areas or shared spaces.

While we strive to maintain a safe and secure environment, it is your ultimate responsibility to safeguard your personal belongings. Failure to do so may result in loss or damage to your property, for which DeerHacks and the University of Toronto Mississauga cannot be held liable.

### **MENTORSHIP**

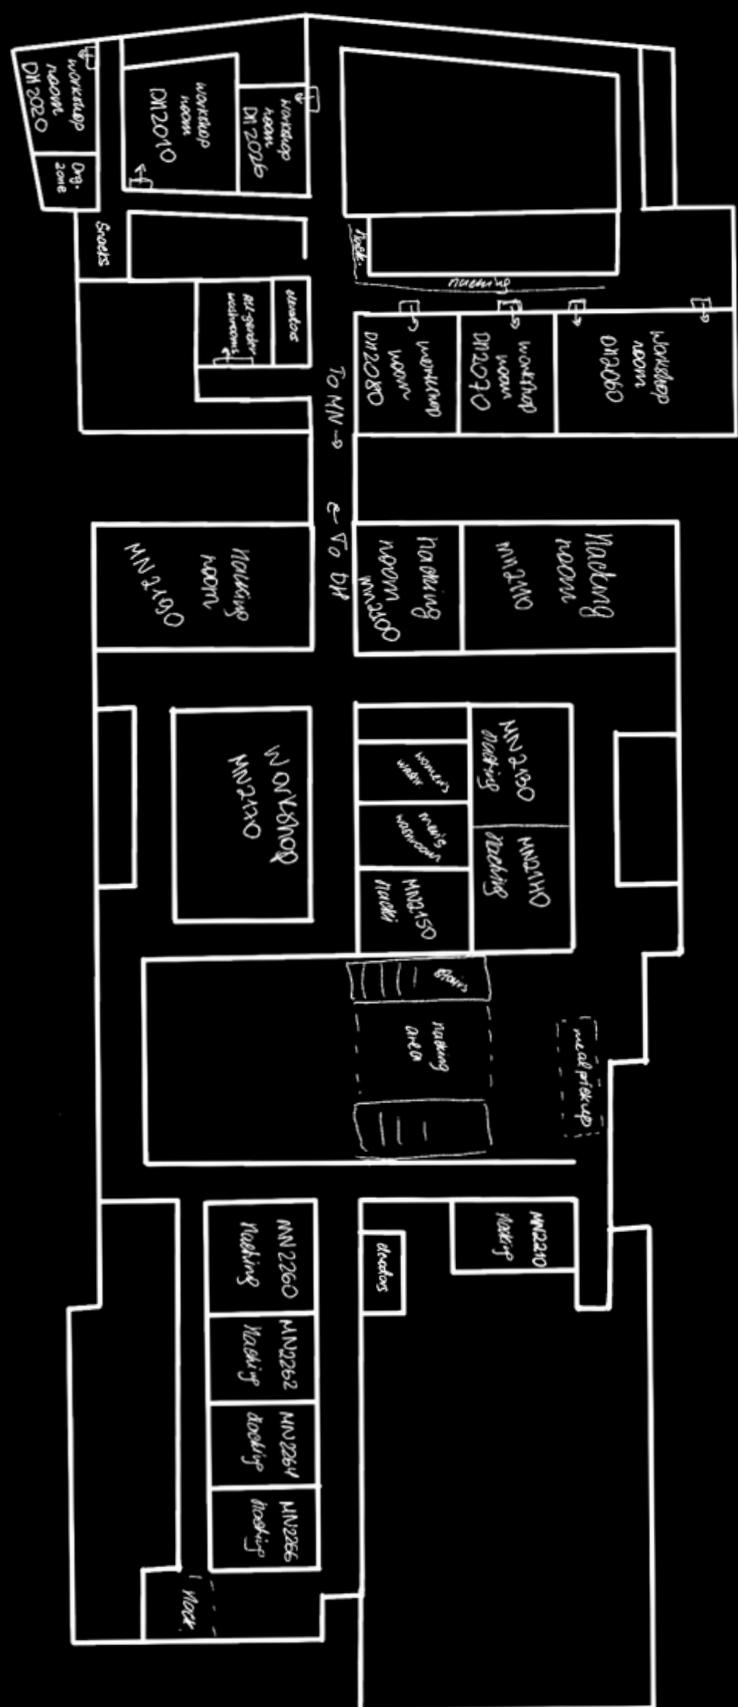

We recognize that challenges may arise during the hackathon, and our mentors are here to assist you! Look for mentors and feel free to approach them whenever you need help.

Another option is to submit a "Code Help" ticket on the Discord server in the `#ticket` channel. Mentors will actively monitor requests and notify you once assistance is available. Please be patient, as there may be other teams waiting in line for help.
